

Photo/Media Release Policy - 2010

To: Parents/Guardians I want to make you aware of my plans related to the use of photos or video for promotional purposes. Please take a look at my website www.dearingvolleyballschoo.com to see recent camp photos.

We will take group and individual photos of campers throughout each session and make them available for the campers for a small fee at the end of camp. We also plan to make a slide show of each session's activities and show this during our "Talent Show", and possibly put all or part of the slideshow on the website. Please complete and sign the release on the application. If you have any questions or concerns, do not hesitate to contact me prior to submitting this form ph- 413-596-2436 or jbdearing@aol.com
